Azure Tech Groups Leaders Update

Greetings,

Happy July! Here are some updates, tips & tricks, and interesting finds we think you'll appreciate.

RSVP for the next quarterly call

We look forward to seeing everyone at the next Azure Tech Groups quarterly call on **Wednesday, September 1, 2021**.

An early peek of what's on the agenda: A chat with **Tiago Costa**, group leader of <u>Azure User Group Portugal</u> and MVP, about his experiences managing a thriving user group and a few tips and tricks he finds useful. We're still finalizing the full agenda and would love to hear your suggestions/ideas. Post a reply to the Sept Quarterly Call <u>post</u> in the Azure Tech Groups Leaders hub with your thoughts.
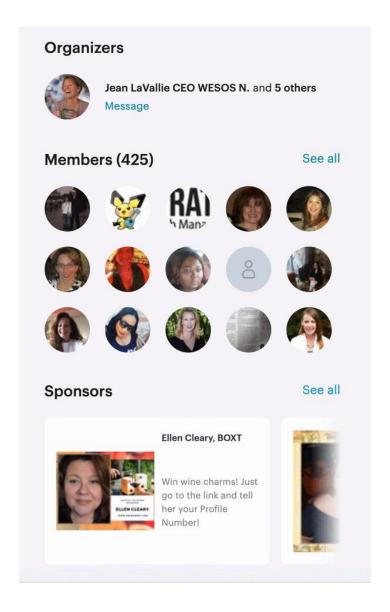

To accommodate time zones, we've planned two sessions:

Time option #1 – 15:00 – 16:00 UTC (8:00 – 9:00 PDT)
Time option #2 – 22:00 – 23:00 UTC (15:00 – 16:00 PDT)

News and tips from Meetup

Sponsors are more visible than ever on Meetup! Sponsors have a new dedicated location on your group's page, making them easier than ever for members to spot. Displaying sponsors adds a professional brand boost to your group, as well as promoting your partner(s) in community building. [Learn more](#).

[Watch](#) Daniel Pardes, VP of Product, and Prerna Singh, Senior Director of Product for more updates on Meetup's product roadmap.

Interesting finds

- **Getting to know you**
  We've started a new series to get everyone better acquainted and find more ways for us to connect. Visit the [Azure Tech Groups Leaders Hub](#) and answer the first question in our **Getting to know you** series: [Getting to know you: Tell us about your first program](#).
